HB 2101 Administrative Process Act; Department of Wildlife Resources; guidance documents; endangered species. Directs that certain guidance documents developed and used by the Department of Wildlife Resources relating to threatened and endangered species shall expire on December 31, 2023, unless such documents are filed for publication with the Virginia Registrar of Regulations and made available for public comment pursuant to the Administrative Process Act (§ 2.2-4000 et seq.) by November 1, 2023.

Failed

HB 1902 Administrative Process Act; appeal of case decisions regarding grant or denial of public assistance. Removes the prohibition against appeals regarding the adequacy of standards of need and payment levels for public assistance and social services programs and provisions limiting the court to ascertaining whether there was evidence in the agency record to support the case decision of the agency acting as the trier of fact. Current law allows court review of agency decisions regarding the grant of denial of Temporary Assistance for Needy Families, Medicaid, food stamps, general relief, auxiliary grants, or state-local hospitalization but limits such review to whether the agency relied on evidence to support its decision.

SB 998 Administrative Process Act; appeal of case decisions regarding grant or denial of public assistance. Removes the prohibition against appeals regarding the adequacy of standards of need and payment levels for public assistance and social services programs and provisions limiting the court to ascertaining whether there was evidence in the agency record to support the case decision of the agency acting as the trier of fact. Current law allows court review of agency decisions regarding the grant of denial of Temporary Assistance for Needy Families, Medicaid, food stamps, general relief, auxiliary grants, or state-local hospitalization but limits such review to whether the agency relied on evidence to support its decision.

HB 1934 Administrative Process Act; certain regulations to require legislative approval. Requires any agency that estimates that a proposed regulation will have an adverse impact on economic growth or increase regulatory costs by more than \$500,000 within five years of its implementation to advise the Joint Commission on Administrative Rules, the House Committee on Appropriations, and the Senate Committee on Finance and Appropriations no later than 30 days prior to the next regular legislative session. The bill requires the Joint Commission on Administrative Rules to review such regulation and issue a statement containing the Commission's findings.

HB 2347 Department of Planning and Budget; Regulatory Budget Program; report. Directs the Department of Planning and Budget, under the direction of the Secretary of Finance, to establish a continuous Regulatory Budget Program with the goal of setting a two-year target for each executive branch agency subject to the Administrative Process Act to (i) reduce regulations and regulatory requirements, (ii) maintain the current number of regulations and regulatory requirements, or (iii) allow regulations and regulatory requirements to increase by a specific amount over a two-year period. The bill requires the Secretary of Finance to report to the Speaker of the House of Delegates and the Chairman of the Senate Committee on Rules on the status of the Program no later than October 1 of each odd-numbered year. Finally, the bill provides that the Department, in consultation with the Office of the Attorney General, shall, by March 1, 2024, issue guidance for agencies regarding the Program and how an agency can comply with the requirements of the Program. The bill has an expiration date of January 1, 2027.

SB 1348 Administrative Process Act; Department of Wildlife Resources; exemptions not to extend to agency actions regarding certain wildlife. Excludes from the exemptions from the Administrative Process Act granted to the Department of Wildlife Resources (the Department) certain regulations and case decisions of the Department. The bill provides that certain guidance documents in use by the Department as of July 1, 2023, shall expire on December 31, 2023, unless such documents are filed for publication with the Virginia Registrar of Regulations by August 1, 2023, and made available for public comment as prescribed in the Administrative Process Act by December 31, 2023.
